\$7.95	\$111.30	\$7.95	\$55.65
\$8.50	\$119.00	\$8.50	\$59.50

If your Local participates at a rate other than the above IPF rates please contact the Fund office. If your Local IPF rate includes a portion which is used to pay off unfunded liabilities due to the merger of a Local pension fund with IPF, the prospective accrual will be based on the portion of your Local's IPF rate not used to pay off liabilities.
